

How to join the webinar

Informative Session for Clubs | FIFA World Cup 2026™ Club Benefits Programme

Before the session

1 Connect with your device audio

The webinar is hosted on Zoom. Use a stable internet connection on your computer, phone or tablet, and **connect with the audio of your device**. Headphones are recommended.

2 Join a few minutes before the start

Connecting early gives you time to get set up before the session begins. There is no registration.

Joining the webinar

3 Open the link

Click the webinar link included in the email you received. There is no registration and no passcode.

4 If Zoom asks for your name, add your position and club

Type **your name, position and club in the same field**, separated by commas. This allows us to identify the clubs taking part.

John Smith, General Secretary, Example FC

5 If Zoom asks for an email address

Please use your club email address.

Join webinar

Your name

John Smith, General Secretary, Example FC

Your email

j.smith@examplefc.com

Illustration. The window may look slightly different depending on your device and Zoom version.

Choosing your language

The webinar is held in English with simultaneous interpretation. The languages available for your session are listed in the invitation.

6 On a computer

In the toolbar at the bottom of the Zoom window, click **Interpretation** (globe icon) and select your language.

7 Hear only the interpreter (optional)

You will hear the interpreter with the English audio in the background at a lower volume. To hear only the interpreter, select **Mute Original Audio** in the same menu.

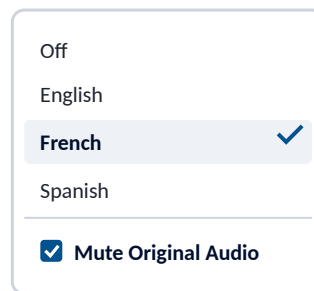

Illustration. Zoom menus appear in the language of your app. Icons and their order may vary by version.

8 On a phone or tablet

Tap **More** (...) in the toolbar, then **Language Interpretation**. Choose your language, switch on **Mute Original Audio** if you wish, and tap **Done**.

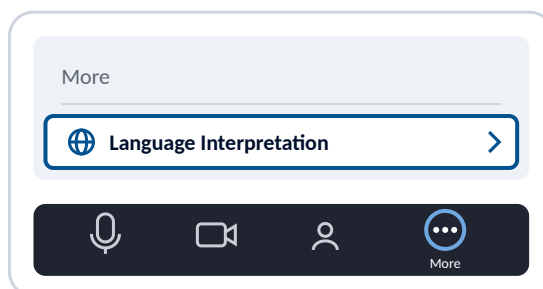

Illustration. Menus may vary between iPhone, Android and Zoom versions.

During the session

9 Sit back and listen

As an attendee, **your camera and microphone stay off**. Other participants will not see or hear you. Useful links will be shared in the chat during the session.
